

TONIGHT'S MUSIC for Carablanca by DJ "GILDA"

Tonight's music will be played in *TANDAS* with *CORTINAS*

A *TANDA* is a set of dances of the same rhythm (tango, milonga, vals or other), normally played by the same orchestra in the same era and style, with the same singer (if sung).

A *CORTINA* (curtain) is a short burst of non-tango music played between tandas, to indicate the change of orchestra and to give everyone the opportunity to rotate partners at the same time.

It is customary to leave the dance floor at the end of each *tanda*, even if you intend to dance again with the same partner.
